

I have recently been informed that the FCC may use LPFM stations, disrupting my existing radio connection to K-LOVE. I wanted to let you know how important and uplifting K-LOVE is to me, my family, and my community. Their Christian broadcasting plays at my workplace and in many of the businesses I support, and their God-filled music is a vital part of my community's faith. If we-or any other city- were to lose K-LOVE programming, it would be difficult to remain focused on God while hearing negative, sometimes vulgar programming that other stations are known to provide. K-LOVE is like a 24 hr, 7 day worship service that our community and our NATION desperately needs, as the world becomes more negative, violent, and turned against the Lord Almighty. Please reconsider your options regarding LPFM stations, and allow K-LOVE to continue to touch people's hearts and lives, making our world a better, spiritual Christian environment, community by community. The positive, encouraging programming by K-LOVE is precious because it is rarely heard in today's world. It is definitely in the public's best interest because lives are being changed each day for the better, turning people to our Lord. Nothing is more valuable. Thank you for your time and consideration. May God bless you.
